UNITED STATES DISTRICT COURT EASTERN DISTRICT OF MISSOURI EASTERN DIVISION

TIMOTHY P. O'LAUGHLIN,)
Petitioner,)
v.) No. 4:19-cv-00123-SPM
STATE OF MISSOURI,))
Respondent.)

MEMORANDUM AND ORDER

This matter is before the Court on a petition to reopen his case filed by petitioner Timothy P. O'Laughlin. (Docket No. 13). The Court denied and dismissed petitioner's 28 U.S.C. § 2254 petition on May 9, 2019 as time-barred and moot. (Docket No. 11). Petitioner did not file an appeal. In the instant motion, filed on November 30, 2020, petitioner seeks to reopen his case, and provides the case number of the state conviction he is challenging. The petition to reopen the case also includes the name, telephone number, and address of a "point of contact" for the Circuit Court for St. Louis County.

Having reviewed the petition to reopen the case, the Court concludes that it fails to point to any manifest errors of law or fact, or any newly discovered evidence. Instead, petitioner simply asks the Court to reopen the matter, and provides a "point of contact." Petitioner does not even attempt to address the reasons for the Court's dismissal. Petitioner is therefore not entitled to reconsideration of the denial and dismissal of his 28 U.S.C. § 2254 petition, and his petition to reopen the case will be denied.

Accordingly,

IT IS HEREBY ORDERED that petitioner's petition to reopen his case (Docket No. 13) is **DENIED**.

IT IS FURTHER ORDERED that the Court will not issue a certificate of appealability.

Dated this 14th day of December, 2020.
